The 2017 Nairobi Innovation Week has officially kicked off.

The annual event showcases innovations geared towards promoting entrepreneurship, self-employment, jobs creation and business opportunities.

The Finnish embassy a partner of the University, has brought along 50 business people seeking partnerships and investment opportunities.

The ICT authority notes that, "We see this event as a suitable platform for us to share progress interact, and get feedback on the National ICT Master Plan flagship programs and gain new insights from the event delegates,"
