

**UNIVERSITY OF NAIROBI
SCHOOL OF ECONOMICS**

BACHELOR OF ECONOMICS

General information

The School of Economics is the successor to the former Department of Economics, one of the largest departments of the University of Nairobi. It is charged with teaching and research responsibilities, in line with the University's motto of producing qualified manpower for the nation.

The School offers specialized training in economics at the bachelors, masters and doctoral levels.

The School has an outstanding research capacity. Areas of capacity concentration include development economics, health economics, environmental and resource economics, macro economics, trade and finance, industrial and enterprise economics.

ADMISSION REQUIREMENTS

- i. KCSE Mean Grade C+ and above, with a C+ in Mathematics; or
- ii) KCE Div. II with credit pass in mathematics and a diploma; or
- iii) KACE or EAACE certificate with two principal passes or equivalent, with a credit in 'O' mathematics; or
